Opt IN contract for mobile phone use in after-school study.

Please only sign this document if you wish for your son to have access to his phone/tablet during evening study. There is no requirement to do so. Only students with this contract signed will be permitted to use a device.

I _____ consent to my son _____ having access to his mobile phone during evening study. I understand that this is for access to Microsoft Teams, One note or other educational portals for academic use ONLY.

I am aware that in the event my son is found to be using his device inappropriately, his phone will be confiscated and not returned for 5 school days, as per the Coláiste Eamann Ris mobile phone policy.
